To Whom It May Concern,

Under the Montana Public Records Act §2-6-101 et seq., I am requesting an opportunity to inspect or obtain copies of public records that pertain to Spring Creek Apartments 1 and 2 in Kalispell, Montana. I am requesting anything that may contain to any code violations, complaints, and any record of bug infestations. I'm also requesting documents that show when and where such infestations occurred and how and when they were handled. I am requesting all records pertaining to such dating back to September 2013 until present date.

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$50.00. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in public interest and will contribute significantly to the public's understanding of how issues are handled when dealing with multi-family units. This information is not being sought for commercial purposes.

If access to the records I am requesting will take longer than a "reasonable" amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any, or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request,

Sincerely,
BRYAN, DISTEFANO & MATTINGLEY, PLLP
